### PLEDGE, TRACKING, and STATISTICAL DATA FORM

Dear New Jersey Space Grant Consortium (NJSGC) Award Winner:

Congratulations on receiving an NJSGC award (fellowship, internship, research, etc). Please note that your award may not have come directly from N.J. Space Grant, but through one of our affiliate organizations or industrial partners.

The NJSGC is funded by NASA, which requires us to track the progress and career path of our award recipients. We must provide this information to NASA, as well as additional statistical information that NASA requests.

We ask for your help in supplying NASA the information they request. Please complete this form and sign it. Your answers will not be revealed to anyone, except to NASA. We will not be able to process your award without this form.

Pledge: I, \_\_\_\_\_, am a U.S. citizen and I agree to provide accurate answers to the yearly tracking questionnaires that NJSGC will send me for approximately 10 years after the completion of my award. I further agree to keep NJSGC informed of my contact information (address, phone, email) during those 10 years.
